## VERSE 1

All along the western front  
People line up to receive  
She got the power in her hand  
To shock you like you won't believe

Saw her in the Amazon  
With the voltage running through her skin  
Standing there with nothing on  
She gonna teach me how to swim

[PAUSE 2 measures]

## CHORUS

I said, ooh girl  
Shock me like an electric eel  
Baby girl  
Turn me on with your electric feel

[REPEAT]

## VERSE 2

All along the eastern shore  
Put your circuits in the sea  
This is what the world is for  
Making electricity  
You can feel it in your mind  
Oh you can do it all the time  
Plug it in and change the world  
You are my electric girl
