

HOT 'N COLD - KATY PERRY

You change your mind
Like a girl changes clothes
Yeah you, PMS
Like a ~~bitch~~ girl I would know

G | D | Am | C :||

And you always think
Always speak Crypticly
I should know
That you're no good for me

Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, You don't really want to stay, no
You, but you don't really want to go-o
You're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down

We used to be
Just like twins so in sync
The same energy
Now's a dead battery

Used to laugh bout nothing
Now your plain boring
I should know that
you're not gonna change

CHORUS

Someone call the doctor
Got a case of a love bi-polar
Stuck on a roller coaster
Can't get off this ride

Em | C | G | D :||

You change your mind
Like a girl changes clothes

CHORUS
