

ROLLING IN THE DEEP by Adele

There's a fire starting in my heart,
Reaching a fever pitch and it's bringing me out the dark
Finally, I can see you crystal clear.
Go ahead and sell me out and I'll lay your ship bare.

See how I leave, with every piece of you
Don't underestimate the things that I will do.
There's a fire starting in my heart,
Reaching a fever pitch and it's bringing me out the dark

The scars of your love, remind me of us.
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling...

We could have had it all - (You're gonna wish you, never had met me) Cm | Bb | Ab | Ab Bb :||
Rolling in the deep - (Tears are gonna fall, rolling in the deep)
Your had my heart inside of your hand - (You're gonna wish you, never had met me)
And you played it to the beat - (Tears are gonna fall, rolling in the deep)

Baby I have no story to be told,
But I've heard one of you and I'm gonna make your head burn.
Think of me in the depths of your despair.
Making a home down there, as mine sure won't be shared.

The scars of your love, remind me of us. (You're gonna wish you, never had met me)
They keep me thinking that we almost had it all (Tears are gonna fall, rolling in the deep)
The scars of your love, they leave me breathless (You're gonna wish you, never had met me)
I can't help feeling... (Tears are gonna fall, rolling in the deep)
