ROCK BAND ACADEMY - Holiday Concert 2011

Peace Song

It will cross the desert although it's dry
It will climb the mountain although it's high
And through the waves, it swims the sea
The word is peace, our one decree

It will shatter walls of brick or stone
It will travel places yet unknown
And in our dark humanity
The word is peace, our one decree

Can we release the white dove?
Can we turn hate into love?
This is not another peace song
It's a shout for right to beat wrong
