Verse 1

There was a time when my world
Was filled with darkness (darkness, darkness)
Then I stopped dreaming now
I'm supposed to fill it up with something (something, something)

In your eyes I see the eyes of somebody
I knew before, long ago
But I'm still trying to make my mind up
Am I free or am I tied up?

add fills

Chorus

I change shapes just to hide in this place
But I'm still, I'm still an animal
Nobody knows it but me when I slip
Yeah I slip, I'm still an animal

add snare roll

Verse 2

There is a hole and I tried to fill it up with money (money, money)
But it gets bigger till your horse is always running (running, running)
In your eyes I see the eyes of somebody who could be strong
Tell me if I'm wrong
And now I'm pulling your disguise up
Are you free or are you tied up?
