# Arms - Christina Perri

**Intro**                                                    E | E | G#m | G#m |

**Verse 1**                                                  E | E | E | E | G#m | G#m :||
I never thought that you would be the one
to hold my heart
But you came around and you knocked me off the ground from the start

**Pre-Chorus**
You put your arms around me                                  A | B | A | B | E | E | A | A |
And I believe that it's easier for you to let me go
You put your arms around me and I'm home                     A | B | E | E (g#) |

**Verse 2**                                                  E | E | E | E | G#m | G#m :||
How many times will you let me change my mind
and turn around?                                             1st riff:        g# b d#
I can't decide if I'll let you save my life or if I'll drown  2nd riff:        d# b g#

**Chorus**
I hope that you see right through my walls                    **C#m | B | E | A :|| x3        A | B |**
I hope that you catch me 'cause I'm already falling
I'll never let a love get so close
You put your arms around me and I'm home

**Interlude**                                                E | E | G#m | G#m :||

**Verse 3**                                                  E | E | E | E | G#m | G#m :||
The world is coming down on me and I can't find a reason to be loved
I never wanna leave you but I can't make you bleed if I'm alone

**Pre-Chorus**
You put your arms around me                                  A | B | A | B | E | E | A | A |
And I believe that it's easier for you to let me go...

**Chorus (same as above)**

**Break**                                                    C#m | B | G#m | A :|| x3
ho, oh, oh, home, ho, oh, oh, home
I tried my best to never let you in to see the truth
And I've never opened up I've never truly loved 'til

**Pre-Chorus**                           **vocals + piano only**        A | B | A | B | E | E | A | A |
you put your arms around me
And I believe that it's easier for you to let me go

**Chorus (same as above)**

**add extra...** You put your arms around me and I'm home     E | E | A | B | E
