Hello again, friend of a friend
I knew you when
Our common goal was waiting for the world to end
Now that the truth is just a rule that you can bend
You crack the whip, Shape-shift and trick
The past again

VERSE 2

Got balls of steel
Got an automobile for a minimum wage
Got real estate, I'm buying it all up in outer space
Now that the truth is just a rule that you can bend
You crack the whip, Shape-shift and trick
The past again

Pulls away, ooh
From you
