

Champagne Supernova - Oasis

Intro / Verse 1

How many special people change
How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting high?

Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova in the sky

A dreamer dreams she never dies
