I ain't nothing but tired  
Man I'm just tired and bored with myself  
Hey there baby, I could use just a little help

## REFRAIN + VERSE 2

Message keeps getting clearer, radio's on and I'm moving 'round the place  
I check my look in the mirror, I wanna change my clothes, my hair, my face  
Man I ain't getting nowhere, I'm just living in a dump like this  
There's something happening somewhere  
baby I just know that there is

## CHORUS + REFRAIN

## BREAK

You sit around getting older  
there's a joke here somewhere and it's on me  
I'll shake this world off my shoulders  
come on baby this laugh's on me

**Em | G | C | D :||**  
**G#m | B | E | F# :||**

## VERSE 3

Stay on the streets of this town, And they'll be carving you up alright  
They say you gotta stay hungry, Hey baby I'm just about starving tonight  
I'm dying for some action, I'm sick of sitting 'round here trying to write this book  
I need a love reaction  
Come on now baby gimme just one look

## CHORUS x2

You can't start a fire sitting 'round crying over a broken heart  
This gun's for hire... Even if we're just dancing in the dark  
You can't start a fire worrying about your little world falling apart  
This gun's for hire... Even if we're just dancing in the dark

## REFRAIN

Even if we're just dancing in the dark (REPEAT)

**End on G or B**
