LEARN TO FLY - FOO FIGHTERS

RIFF (2x)   **Gtr Intro: B - C#(D)C# - B - G#**

Run and tell all of the angels   B^add9 | A^add9/F# | E | E :||
This could take all night
Think I need a devil to help me
Get things right

Hook me up a new revolution
Cos this one is a lie
We sat around laughing
And watch the last one die

I'm looking to the sky to save me   B | F#m | E | E :||
Looking for a sign of life
Looking for something help me burn out bright
I'm looking for complications
Looking cos I'm tired of lying (trying in 2nd chorus)
Make my way back home when I learn to fly (high) G | A

RIFF (2x)

Think I'm done nursing the patience
I can wait one night
I'd give it all away
If you give me one last try

We live happily ever trapped
If you just save my life
Run and tell the angels
That everything is all right

Chorus (last line 2x)

Fly along with me   B | G | D | E | G | A :||
I cant quite make it alone
Try to make this life my own (x2)
