VERSE 1

Small town homecoming queen
She's the star in this scene
There's no way to deny she's lovely
Perfect skin perfect hair
Perfumed hearts everywhere
Tell myself that inside she's ugly
Maybe I'm just jealous
I can't help but hate her
Secretly I wonder if my boyfriend wants to date her

D | D | Bm | G :||

F#m | G | F#m | A | A |

CHORUS

She is the prom queen I'm in the marching band
She is a cheerleader I'm sittin' in the stands
She gets the top bunk I'm sleepin' on the floor
She's Miss America and I'm just the girl next door

VERSE 2

Senior class president
She must be heaven sent

I'm a little bitter
Everybody loves her but I just wanna hit her
