### VERSE

They say I spend my money on women and wine  
But I couldnt tell you where I spent last night  
Im really sorry about the shape Im in  
I just like my fun every now and then

Im always workin slavin every day  
Gotta get away from that same old same old  
I need a chance just to get away  
If you could hear me think this is what Id say

### CHORUS

You see I raise a toast to all of us  
Who are breakin our backs every day  
If wantin the good life is such a crime  
Lord, then put me away
