Heroes - Alesso

Intro   **F | Am | Dm | Bb :||**

capo 5   C | Em | Am | F :||

Verse 1
We go hideaway in daylight
We go undercover when under sun
Got a secret side in plain sight
Where the streets are empty that's where we run

Pre-Chorus
Everyday people do everyday things but I
Can't be one of them
I know you hear me now we are a different kind
We can do anything

Chorus
We could be heroes
We could be heroes, me and you
We could be heroes
We could be heroes, me and you… we could be

Verse 2
Anybody's got the power…
They don't see it 'cos they don't understand
Spin around and run for hours
You and me we got the world in our hands

Pre-Chorus (same as above)

Chorus x2 (same as above)   **… end on C**
