Verse 1

Your lipstick stains on the front lobe of my left side brains,
I knew I wouldn't forget you,
And so I went and let you blow my mind.
Your sweet moonbeam,
The smell of you in every single dream I dream.
I knew when we collided you're the one I have decided,
Who's one of my kind.

Just in time, I'm so glad you have a one track mind like me
You gave my life direction
A game show love connection, we can't deny
I'm so obsessed
My heart is bound to beat right out my untrimmed chest
I believe in you, like a virgin, you're Madonna
And I'm always gonna wanna blow your mind

Watching you is the only drug I need

You're the only one I'm dreaming of
You see I can be myself now finally
In fact there's nothing I can't be
I want the world to see you being with me
