

# HOT 'N COLD - KATY PERRY

## VERSE 1

G | D | Am | C :||

You change your mind  
Like a girl changes clothes  
Yeah you, PMS  
Like a girl I would know  
And you always think  
Always speak Crypticly  
I should know  
That you're no good for me

## CHORUS

Cause you're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
You, You don't really want to stay, no  
You, but you don't really want to go-o  
You're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down

## VERSE 2

We used to be  
Just like twins so in sync  
The same energy  
Now's a dead battery  
Used to laugh bout nothing  
Now your plain boring  
I should know that  
you're not gonna change

## CHORUS (same as above)

## BREAK

Em | C | G | D :||

Someone call the doctor, Got a case of a love bi-polar  
Stuck on a roller coaster, Can't get off this ride

## VERSE

You change your mind  
Like a girl changes clothes

## CHORUS (same as above)

End on G
