

I Alone - Live

half-step lower

Verse

(a) It's easier not to be wise
Measure these things by your brains
I sank into Eden with you
Alone in the church by and by
I'll read to you love save your eyes
You'll need them your boat is at sea
Your anchor is up, you've been swept away
And the greatest of teachers won't hesitate
(a b c#) To leave you there by yourself chained to fate

It's easier not to be great
And measure these things by your eyes
We long to be here by his resolve
Alone in the church by and by
To cradle the baby in space
And leave you there by yourself chained to fate

(c#) Oh now we took it back too far
Only love can save us now
All these riddles that you burn
All come running back to you
All these rhythms that you hide
Only love can save us now
All these riddles that you burn, yeah yeah yeah
