

Kryptonite - Three Doors Down

INTRO

Bm | G A :|| *clean*
drum roll

VERSE 1

I took a walk around the world
To ease my troubled mind
I left my body laying somewhere
In the sands of time
But I watched the world float
To the dark side of the moon
I feel there is nothing I can do, yeah

beat starts

I watched the world float
To the dark side of the moon
After all I knew it had to be
Something to do with you
I really don't mind what happens now and then
As long as you'll be my friend at the end

CHORUS

If I go crazy then will you still call me Superman
If I'm alive and well, will you be there a-holding my hand
I'll keep you by my side with my superhuman might
Kryptonite

B5 | G5 A5 :|| *dist.*

VERSE 2

You called me strong, you called me weak,
But still your secrets I will keep
You took for granted all the times
I never let you down
You stumbled in and bumped your head,
If not for me then you'd be dead
I picked you up and put you back
On solid ground
