## Verse 1

Grab your ticket and suitcase thunder's rollin around this track  
You don't know where your going but you know you won't be back  
Darlin if you're weary lay your head upon my chest  
And we'll take what we can carry and we'll leave the rest  
Big wheels roll through fields where sunlight streams  
Meet me in a land of hope and dreams

Now I will provide for you and I will stand by your side  
You'll need a good companion for this part of the ride  
Leave behind your sorrow, we'll let this day be the last  
Cause tommorow there'll be sunshine and all this darkness past  
Big wheels roll through fields where sunlight streams  
Meet me in a land of hope and dreams

## Break

This train carries saints and sinners  
This train carries losers and winners  
This train carries whores and gamblers  
This train carries lost souls  
This train dreams will not be thwarted  
This train faith will be rewarded  
This train hear the steel wheels singing  
This train bells of freedom ringing
