

Little Red Corvette - Prince

INTRO / VERSE 1

I guess I should've known by the way U parked your car
Sideways that it wouldn't last
See, you're the kinda person that believes in makin' out once
Love 'em and leave 'em fast
I guess I must be dumb cuz you had a pocket full of horses
Trojans and some of them used
But it was Saturday night, I guess that makes it all right
And you say...'What have I got 2 lose?'

VERSE 2

I guess I should've closed my eyes when U drove me 2 the
Place where your horses run free
Cuz I felt a little ill when I saw all the pictures
Of the jockeys that were there before me
Believe it or not, I started 2 worry
I wondered if I had enough class
But it was Saturday night, I guess that makes it all right
And U say...'Baby, have U got enough gas?' Oh yeah!
