Verse 1

London calling - To the faraway towns
Now war is declared, and battle come down
London calling - To the underworld
Come out of the cupboard, you boys and girls
London calling - Now don't look to us
Phoney Beatlemania has bitten the dust
London calling - See we ain't got no swing
'Cept for the ring of that truncheon thing

Em | F | G | G :|| x4

Chorus

The ice age is coming, the sun's zooming in
Meltdown expected, the wheat is growing thin
Engines stop running, but I have no fear
Cause London is drowning and I, I live by the river

Verse 2

London calling - to the imitation zone
Forget it brother, you can go it alone
London calling - to the zombies of death
Quit holding out, and draw another beath
London calling - and I don't want to shout
But while we were talking, I saw you noddin' out
London calling - see we ain't go no highs
Except for that one with the yellowy eyes

Engines stop running, the wheat is growing thin
A nuclear error, but I have no fear
Cause London is drowning, and I, I live by the river
