I miss the taste of a sweeter life
I miss the conversation
I'm searching for a song tonight
I'm changing all of the stations

I like to think that we had it all
We drew a map to a better place
But on that road I took a fall
Oh baby why did you run away?

I was there for you in your darkest times
I was there for you in your darkest nights

But I wonder where were you?
When I was at my worst down on my knees
And you said you had my back
So I wonder where were you?
When all the roads you took came back to me
So I'm following the map that leads to you
The map that leads to you - Ain't nothing I can do
The map that leads to you - Following, following, following to you
The map that leads to you - Ain't nothing I can do
The map that leads to you - Following, following, following
