## A 1

There must be some misunderstanding (ooh, ooh)  
There must be some kind of mistake (ooh, ooh)  
I waited in the rain for hours  
And you were late

## A 2

Now it's not like me to say the right thing (ooh, ooh)  
But you could've called to let me know (ooh, ooh)  
I checked your number twice, don't understand it  
So I went home

## B 1

Well I'd been waiting for this weekend  
I thought that maybe we could see a show  
Never dreamed I'd have this feeling  
Oh but seeing you is believing  
That's why I don't know why  
You didn't show up that night

Since then I've been running around trying to find you  
I went to the places that we always go  
I rang your home but got no answer  
Jumped in my car, I went round there  
Still don't believe it  
He was just leaving
