VERSE 1

You and I go hard at each other like we're going to war.
You and I go rough, we keep throwing things and slamming the door.
You and I get so damn dysfunctional, we stopped keeping score.
You and I get sick, yeah, I know that we can't do this no more.

PRE-CHORUS

Yeah, but baby there you go again, there you go again, making me love you, ooh.
Yeah, I stopped using my head, using my head, let it all go, ooh
Got you stuck on my body, on my body, like a tattoo, ooh
And now I'm feeling stupid, feeling stupid, crawling back to you, ooh

CHORUS

So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night

VERSE 2

Try to tell you "no" but my body keeps on telling you "yes".
Try to tell you to "stop", but your lipstick got me so out of breath.
I'll be waking up in the morning, probably hating myself.
And I'll be waking up, feeling satisfied but guilty as hell.

PRE-CHORUS (same as above)
