Verse 1

___ Didn't know what time it was the lights were low-o-o
I leaned back on my radio-o-o
Some cat was layin' down some rock 'n' roll 'lotta soul,
- - He said
Then the loud sound did seem to fade
Came back like a slow voice on a wave of phase
That weren't no D.J. that was hazy cosmic jive

Chorus

There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
'Cause he knows it's all worthwhile, he told me:
Let the children lose it
Let the children use it
Let all the children boogie
