Key of Bm

Intro

Bm A | E :|| x4

Verse 1

(a g) We're bound to wait all night
She's bound to run amok
Invested enough in it anyhow
To each his own
The garden needs sorting out
She curls her lips on a bow
I don't know if I'm dead or not, to anyone

Pre-Chorus

Come on and get the minimum
Before you open up your eyes
This army has so many heads
To analyse
Come on and get your overdose
Collect it at the borderline
They want to get up in your head

Bm A | Bm A | Bm A | E :||

Chorus

Cause they know and so do I
The high road is hard to find
A detour to your new life
Tell all of your friends goodbye

Bm A | E :|| x4

Verse 2

The dawn to end all nights
That's all we hoped it was
A break from the warfare in your house
To each his own
The soldier is bailing out
And curled his lips on a barrel
And I don't know if the dead can talk, to anyone...
