

# The Middle - Jimmy Eat World

## Verse 1

Hey, don't write yourself off yet.  
It's only in your head you feel left out,  
Or looked down on.  
Just try your best,  
Try everything you can.  
And don't you worry what they tell themselves  
When you're away.

## Chorus

It just takes some time, little girl  
You're in the middle of the ride, everything,  
Everything will be just fine, everything,  
Everything will be alright (alright)

## Verse 2

Hey, you know they're all the same.  
You know you're doing better on your own, (on your own)  
So don't buy in.  
Live right now. Yeah, just be yourself.  
It doesn't matter if it's good enough (good enough)  
For someone else.
