We are always running for the thrill of it, thrill of it
Always pushing up the hill, searching for the thrill of it

Never looking down, I'm just in awe of what's in front of me

Is it real now? Two people become one
I can feel it Two people become one

Thought I'd never see
The love you found in me
Now it's changing all the time
Living in a rhythm where the minute's working overtime

Is it real now? Two people become one
I can feel it Two people become one
