First, when there's nothing but a slow glowing dream
That your fear seems to hide deep inside your mind
All alone I have cried silent tears full of pride
In a world made of steel, made of stone
Well I hear the music, close my eyes, feel the rhythm
Wrap around, take a hold of my heart

CHORUS

What a feeling, bein's believin'
 A A/B A/C# A/D E
I can't have it all, now I'm dancin' for my life

Take your passion, and make it happen

Pictures come alive, you can dance right through your life
