

Wolfman's Brother - Phish

Refrain / Verse 1

Well it was many years ago now
But I really can't be sure
That's when it all began then
I heard that knock upon my door
And the wolfman's brother
The wolfman's brother
Came down on me

Refrain / Verse 2

The telephone was ringing
That's when I handed it to Liz
She said, "This isn't who it would be,
If it wasn't who it is"
It's the wolfman's brother, the wolfman's brother
Came down on me

Bb | Gm Ab :|| x6

Refrain / Verse 3

So I might be on a side street
Or a stairway to the stars
I hear the high pitched cavitation
Of propellers from afar
It's the wolfman's brother, the wolfman's brother
It's the wolfman's brother, the wolfman's brother
It's the wolfman's brother, the wolfman's brother
Coming down on me

Dm7 | Eb |

Refrain

So with meaningless excitement
And smooth atonal sound
It's like a cross between a hurricane
And a ship that's run aground

It's the wolfman's brother, the wolfman's brother

Coming down on me
